

TEAMBUILDING EVENTS

Chief Cooking Officer

“The team that cooks together stays together,” is our motto! Under the director of our culinary experts, your group will split up into teams and each team will cook their own entrée. Get out the cutting boards and the knives... this is the real thing!

Old School Game Night

Giant - and we mean GIANT - versions of popular old school games will bring a new twist to your event! Add one of these games to your next event and your guests are sure to have a memorable experience. Use with caution - creativity and competitiveness are contagious! Choose from: Jenga, Connect Four, Pick-Up Sticks and Bean Bag Toss

Win, Lose or Drink

Get your group together for a wine pairing event like no other! Learn the origins of wine, wine pairing and more from an on-site expert. But when the on-site expert disappears, will your teams be able to pass the test???

Cooking For a Cause

There's no greater treat than sharing a home-cooked meal with loved ones for a soldier returning home from abroad. A great team-building exercise and social get-together, our chef leads you through the preparation of assorted casseroles. Afterwards, enjoy dinner and dessert! Extra casseroles will be individually wrapped by our staff and brought directly to the USO facility near the Willow Grove Air Base.

Wii Arcade

Let's compete in the virtual bowling alley at Normandy Farm Hotel! We have created a Wii Arcade like no other. Compete against your teammates at three different Wii gaming stations that are projected onto the big screen. Lots of excitement and intensity!

Outdoor Challenge - Seasonal

Get on your sneaks and get ready for an outdoor challenge on our rolling greens. This event takes place on our golf course and features fun stations like blind folded putting, silly spins, and relay races. Celebrate the winning team at an outdoor BBQ!
