Jimmy Buffet BBQ

Enjoy the gorgeous view outside on our terrace and lawn as your group enjoys this fun Caribbean BBQ. You can also get competitive & play lawn games like bocce ball & ladder ball!

Cheeseburgers in Paradise

Calling all parrot heads! Our chef will split your group into teams to compete in the ultimate burger competition. Each team will make their own "Cheeseburgers in Paradise".

Our chef will assist the groups in creating recipes for their specialty burgers. Of course, there will be a contest at the end!

Cooking For A Cause

This is a "casserole" making event to benefit the USO (United States Officers). Your team will make assorted types of casseroles that they will eat for their meal & will wrap extra casseroles individually which we will bring to the USO facility near the Willow Grove Air Base as a 'welcome home' meal.
