WELCOME

At Normandy Farm and Blue Bell Country Club, we pride ourselves on the variety of fun yet educational teambuilding activities. Our talented staff and professional partners will guide you to promote leadership skills, cooperation, strategy, and the tenacity needed to exceed in the work force. These completely “hands-on” instructional classes may be held anytime during the day or evening and can be conveniently scheduled to meet your time table. Ask us about our variety of teambuilding offerings.

"I recently spent several days/nights at Normandy Farm for our annual meeting. We had a wonderful "smaller" dinner in a well-appointed private room, several of our team members were lucky enough to spend a couple of nights in your beautiful guest rooms, and followed by our traditional yearly meeting. However, the best part came next: the Cooking with a Cause Team Building event. There are no words to express the amount of fun and camaraderie we experienced. Most of our team have been together for quite some time and we all agreed, hands down, that this by far was just the best."

Break Out!

ESCAPE THE ROOM

Escape room team building is a new trend that's quickly catching fire. Escape rooms are immersive role-playing games. Players are “locked” inside a room and tasked with solving the room's mystery within a set amount of time. This unique activity is now offered on-site so there is no need to leave the property. Each escape room can accommodate teams of 8 and there are several escape themes to choose from. We can customize aspects of your escape experience to add personal touches relevant to your organization.

Please note: The event begins with 20 minutes of instruction, You have one hour to escape. There is a 15 minute debrief following the event. SAGE! can run two identical rooms (8 players each) at the same time to accommodate larger groups and to create friendly competition between the teams.
